COMMUNITY & WELLNESS COLLECTIVE

Community Outreach & Engagement

Spring 2027 Internship Program | January–May 2027

Location: Primarily virtual; optional hybrid experiences for St. Louis-area applicants.
Time commitment: 5–10 hours, 10–15 hours weekly, or flexible based on role and availability.
Application deadline: December 11, 2026.

Role Overview

Help strengthen C&WC; relationships with community members, organizations and potential partners.

Key Responsibilities

• Research potential partners, outreach opportunities and community resources

• Draft professional outreach messages for review

• Maintain a contact and follow-up tracker

• Support virtual engagement and local outreach activities where available

• Prepare brief weekly summaries of contacts, responses and next steps

Potential Projects

• Community resource or partner list

• Outreach tracker

• Engagement activity summary

Skills You Can Develop

Communication, relationship building, research, professionalism and follow-through.

Eligibility

Applicants must be at least 18 years old. College students, recent graduates, early-career professionals and individuals interested in mental health, wellness, nonprofit and community work, marketing or related fields are welcome. Prior clinical training is not required for this role.
