COMMUNITY & WELLNESS COLLECTIVE

Grant Research & Development

Spring 2027 Internship Program | January–May 2027

Location: Primarily virtual; optional hybrid experiences for St. Louis-area applicants.
Time commitment: 5–10 hours, 10–15 hours weekly, or flexible based on role and availability.
Application deadline: December 11, 2026.

Role Overview

Support C&WC; funding research and proposal preparation. All submissions and external commitments require founder approval.

Key Responsibilities

• Identify grants and other funding opportunities aligned with C&WC; programs

• Research funder eligibility, priorities, deadlines and restrictions

• Maintain a funding opportunity tracker and application calendar

• Help draft nonfinal proposal background and supporting materials

• Organize documentation and provide weekly status updates

Potential Projects

• Funding prospect tracker

• Grant deadline calendar

• Draft research briefs

Skills You Can Develop

Research, clear writing, attention to detail, documentation and deadline management.

Eligibility

Applicants must be at least 18 years old. College students, recent graduates, early-career professionals and individuals interested in mental health, wellness, nonprofit and community work, marketing or related fields are welcome. Prior clinical training is not required for this role.
