# Spring 2027 Internship Opportunities

## Overview

January–May 2027. Unpaid, supervised learning opportunities; approximately 5–15 hours per week. Applications due December 11, 2026. Open to applicants nationwide, age 18 or older. Primarily virtual; optional in-person activities in St. Louis.

## College credit

College credit may be available only when the student's educational institution approves the placement and its requirements. C&WC can coordinate a learning plan, supervision and evaluations, subject to approval.

## Social Media & Digital Content

Learn content planning, Canva and video production, accessible communications, and engagement analysis through supervised projects.

## Community Outreach & Engagement

Practice researching community partners, drafting outreach messages and planning culturally responsive engagement with supervisor feedback.

## Program Support & Events

Learn workshop planning, registration workflows, accessible event materials and feedback evaluation under supervision.

## Grant Research & Development

Practice funding research, grant tracking and proposal drafting. The founder retains approval of all external submissions.

## Important information

Internships are unpaid and placements require final program and applicable legal review. Learning goals, supervision and a written agreement will be established before participation. Applying does not guarantee placement.
